

GOING FURTHER, FASTER - TOGETHER

PROGRAM

	DAY 1: APRIL 3, 2017 Productivity Matters Putting Energy Efficiency First	DAY 2: APRIL 4, 2017 Get it Together Integrating Centralized and Decentralized Energy Systems	DAY 3: APRIL 5, 2017 Why Wait? Seizing the 'Energy Access Dividend'
8:00 – 9:00 am	Registration & coffee	Registration & coffee	Registration & coffee
9:00 – 9:15 am	The Wake-Up Call: An opening keynote by Antonio Manuel de Oliveira Guterres United Nations Secretary General*	The Wake-Up Call: An opening keynote [TBD]	The Wake-Up Call: An opening keynote [TBD]
9:15 – 10:15 am	Marshalling the Evidence The latest data on productivity for high-impact countries – focusing on the opportunities, barriers, geographies and sectors where we can go further, faster	Marshalling the Evidence The latest data on electrification and clean cooking for high-impact countries – and the important role renewables are playing - focusing on the opportunities, barriers, geographies and sectors where we can go further, faster	Marshalling the Evidence Exploring the dividends that accrue with energy services and the case for going further, faster, together.
10:15 – 11:15 am	Knowledge into Action Leaders discuss how they are using ambitious policies and incentives to harness the potential of energy efficiency.	Knowledge into Action Leaders showcase the action they are taking to scale clean cooking and deliver energy services to all by integrating "traditional" power regulations with renewable, decentralized and wireless energy carriers.	Knowledge into Action Leaders highlight how energy services help generate jobs, improve education, enable businesses to grow, and create huge new markets.
11:15 – 12:00 pm	Coffee & networking	Coffee & networking	Coffee & networking
12:00 – 12:15 pm	Disruptive Voices Speakers offering a different perspective on the energy conversation		
	How could reframing energy efficiency help us unleash this essential but still unloved energy opportunity?	How can disruptive technologies help us close the energy access gap and spur economic opportunity?	How can people who've started and led movements help us transform the energy system while leaving no one behind?

* invited

GOING FURTHER, FASTER - TOGETHER

PROGRAM

	DAY 1: APRIL 3, 2017 Productivity Matters Putting Energy Efficiency First				DAY 2: APRIL 4, 2017 Get it Together Integrating Centralized and Decentralized Energy Systems				DAY 3: APRIL 5, 2017 Why Wait? Seizing the 'Energy Access Dividend'				
12:15 – 1:15 pm	The Deep Dive In-depth conversations between energy leaders				The Deep Dive In-depth conversations between energy leaders				The Deep Dive In-depth conversations between energy leaders				
	Good Utility Utility leaders discuss how they have made significant advances in energy productivity and where they still need to ramp up.	Smart Policy Policymakers talk about how they can transform their energy and transport systems while creating jobs and economic growth.	We Mean Business Industry leaders discuss how increasing energy productivity is good for the bottom line.	Country Action Leaders talk about the successes and barriers they face in securing modern energy services for their citizens.	Making connections Energy leaders talk about the challenges of – and opportunities - for – connecting centralized and decentralized energy systems.	Now We're Cooking Leaders discuss how we can secure clean cooking for 2.9 billion people in 14 years.	Good Utility How leaders can create an even playing field by addressing issues of affordability.	The New Market Can the private sector really serve the bottom of the pyramid?	Last Mile First How energy providers are increasing productivity through decentralized solutions.				
1:15 – 3:00 pm	Lunch in the marketplace				Lunch in the marketplace				Lunch in the marketplace				
3:00 – 4:00 pm	Partner Working Sessions – part 1				Partner Working Sessions – part 1				Partner Working Sessions – part 1				
	WS#1	WS#2	WS#3	WS#4	WS#5	WS#6	WS#7	WS#8	WS#9	WS#10	WS#11	WS#12	
4:00 – 4:45 pm	Coffee & networking				Coffee & networking				Going Further, Faster – Together A closing panel with - Antonio Manuel de Oliveira Guterres , United Nations Secretary General* - Jim Kim , President, World Bank Group* - Rachel Kyte , CEO and Special Representative of the UN Secretary-General for Sustainable Energy for All				
4:45 – 5:45 pm	Partner Working Sessions – part 2				Partner Working Sessions – part 2								
	WS#13	WS#14	WS#15	WS#16	WS#17	WS#18	WS#19	WS#20	* invited				
5:45 – 6:15 pm	Disruptive Voices Speakers offering a different perspective on the energy conversation												
	How can shifting public behavior accelerate the energy transition?				How can simple innovations and 'non-traditional' development approaches unlock seemingly inextricable problems?								
6:15 – 7:30 pm	Drinks				Drinks								
7:30 – 9:30 pm					Dinner
